Vegan Welcome Reception at 6:30 PM
Presentation at 7:00 PM

Rynn Berry is historical advisor to the NAVS (North American Vegetarian Society) and is on the Advisory Board of Earth Save. In his lectures, articles & books, he has specialized in the study of vegetarianism from an historical perspective. A popular lecturer, in New York, where he lives, Rynn teaches a college course on the history of vegetarianism (the first of its kind in the nation). He is presently working on his forthcoming book, *Fruits of Tantalus: A History of Vegan Rawfoodism and Fruitarianism (with Recipes)*.
